## CLYDESDALE TECHNOLOGY IS THE HEART OF ALL SIMPLEX PUMPS!

Only Simplex Cydesdale pumps incorporate an oiler system that sprays the upper unit with oil and keeps critical components lubricated and running cool, especially when most of the reservoir oil is being used at the tool. High efficiency gear pump provides
more first stage flow and higher
crossover pressures. Feld proven
gear pumps run cooler and last longer
and are proven to provide years of
trouble free service. High efficiency gear pump provides
